Directions: Read the two texts below. Then read the questions that follow them and choose the best answer to each question choosing between A (True) or B (False).

Montreal Summer Academy – immersion programme in French for high school students

The summer immersion programme lasts for one and a half months and allows those enrolled in it to start learning the French language from scratch and to get acquainted with the specific culture of the Canadian capital.

Our advice is to plan your trip to Montreal so that you arrive within one day ahead of the opening day of the immersion programme. Thus, you can cope with jet lag, if you happen to suffer from it, get about the Academy campus and change money into the local currency.

On July 1st we invite all programme participants to a welcome party at 5 p.m. at the Big Hall.

Regular classes start on July 2nd from 9.30 a.m. to 1.00 p.m. The morning sessions are 90 minutes each.

From 3.30 p.m. to 5 p.m. students join the club activities they have signed up for at application stage.

Every Friday afternoon there is a visit to an important landmark in Montreal.

On Saturday from 9.30 a.m. to 3.30 p.m. the sports facilities are open to everyone. Students can choose from tennis, swimming, keep fit exercises and fencing.

Sundays are free. One-day trips to other parts of the country are available on demand. A minimum of 8 students is required. Ask at reception on campus or write to summer.academy@immersionprogramme.com

24. To enroll in the Montreal Summer Academy Academy, you need to demonstrate your level of proficiency in French.

- A True.
- B False.

25. The morning and the afternoon sessions are equally long.

- A True.
- B False.
